As part of registration you certified that the hemp seeds obtained for planting are of a type and variety that do not exceed the maximum concentration of tetrahydrocannabinol set forth in subdivision 564(b)(1) of Title 6 of the Vermont Statutes Annotated; and that registrants may purchase or import hemp genetics from any state that complies with federal requirements for the cultivation of industrial hemp. A person registered to grow, process, or grow and process hemp for floral material production, viable seed, or cannabinoids shall not grow more acres of hemp per year than the amount identified in a registration without first notifying the Secretary and paying an additional registration fee if necessary.

You further acknowledged a person registered with the Secretary under this section to grow, process, or test hemp crops or hemp products shall allow the Secretary to inspect hemp crops, processing sites, or laboratories registered under the State Hemp Program. The Secretary shall retain tests and inspection information collected under this section for the purposes of research of the growth and cultivation of industrial hemp. You read the registration form and understood the requirements in it and agree to hold harmless and release the state of Vermont, its officers, employees, contractors or agents from any and all claims, actions, suits, damages, judgments, attorney's fees, or prosecution of any kind, that may arise due to your cultivation of *Cannabis sativa* L. conducted under authority of this state law-based registration requirement administered by the Agency of Agriculture, Food and Markets.
